THE BANKER

The Banker is the world's premier banking and finance resource. It combines in-depth regional and country coverage with reports on capital markets, structured finance, risk management, working capital management and securities services, environmental finance, trade and project finance, trading, technology and management and governance issues. To find out more visit TheBanker.com.

GLOBAL RISK REGULATOR

Global Risk Regulator, a service from The Banker, spans the world of regulation as it impacts banking, insurance and the securities markets, as well as financial reporting. It offers insight into the latest thinking of regulators and involves in-depth coverage of key policies, including G20 initiatives, Basel III, Dodd-Frank, MiFID-II and Solvency-II. To find out more visit globalriskregulator.com
